RIGHTYPE

FOR INDUSTRIAL, SCHOOL AND OFFICE WORK

THE USE OF RITE-RITE MECHANICAL PENCILS ASSURE
MATERIAL SAVINGS IN TIME AND MONEY

An ordinary cedar pencil is merely a holder for a stick of lead. As you use the pencil you whittle away the holder. You pay for the wood but do not use it. Rite-Rite pencils enable you to use the same holder indefinitely and merely refill with leads.

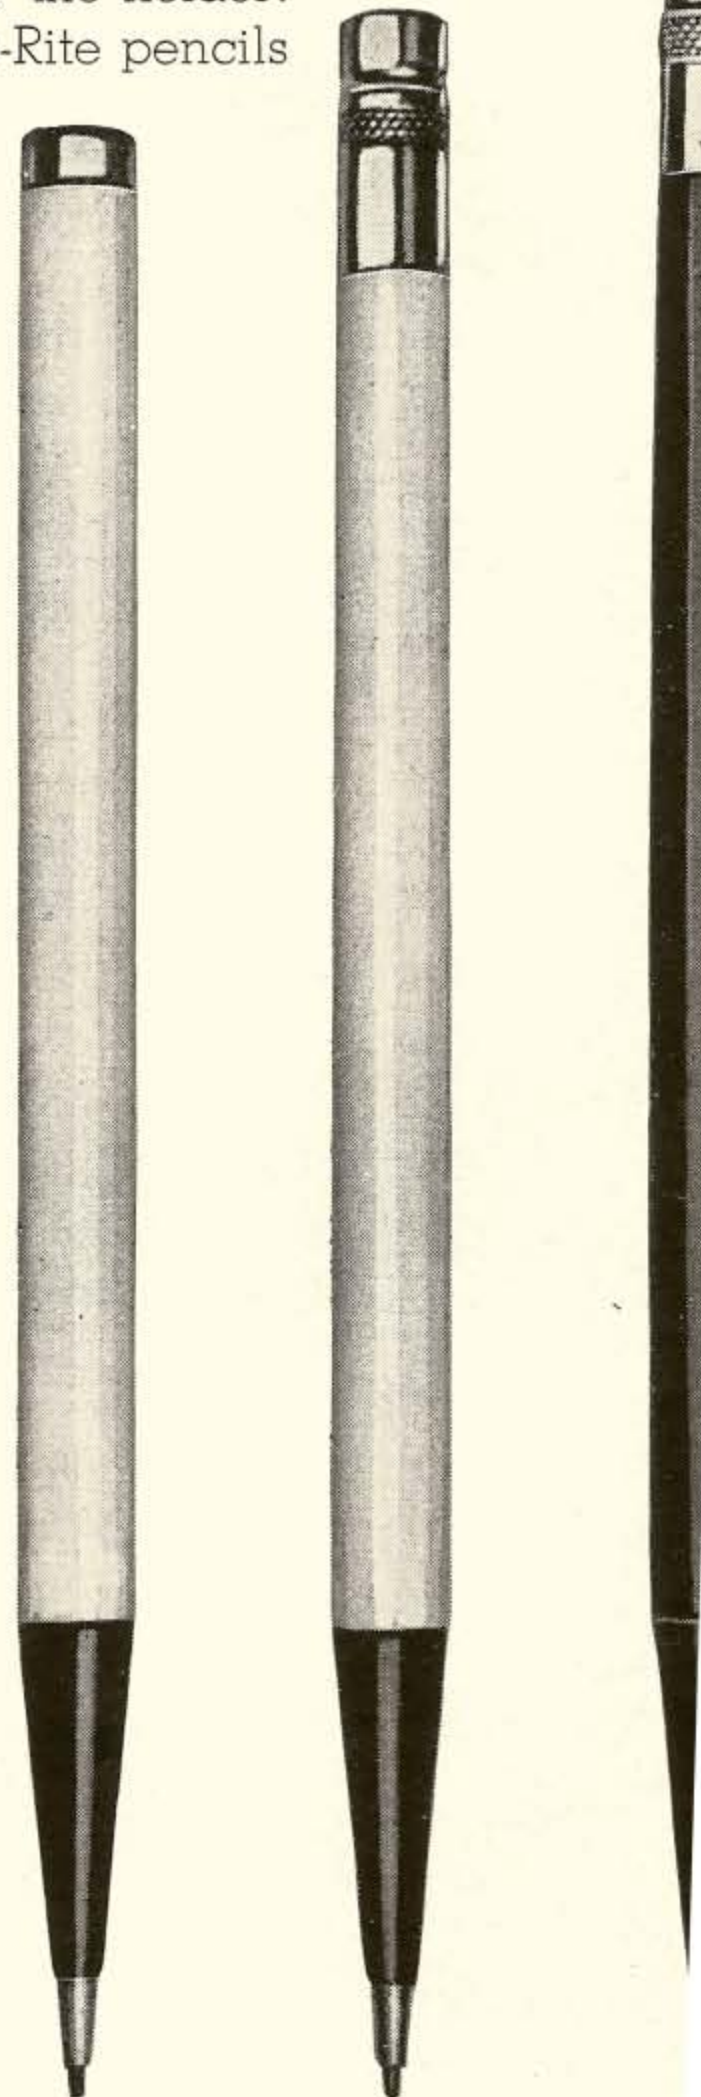

Tests show an average of $2\frac{1}{2}$ inches of usable lead in a 5c cedar pencil.

Two $1\frac{3}{8}$ -inch Rite-Rite leads are equivalent to the usable lead in one cedar pencil and cost but a mere fraction of one cent. Rite-Rite's "Rightype" line offers a variety of pencils suitable to all styles of pencil writing as well as all types of uses.

1—"Rightype" Steno-speed commercial pencil. Extremely light weight, balanced round barrel, finished in durable yellow lacquer. Black Bakelite Cone. Nickel plated metal parts. Packed one dozen in box, 6 boxes in carton. Weight $3\frac{1}{2}$ lbs. per gross. Price **\$14.40** per gross.

1D—"Rightype" Steno Dial Pencil. Equipped with a nickel plated telephone dialing cap. A practical duo-purpose pencil. Very light weight, balanced round barrel finished in durable yellow lacquer. Black Bakelite Cone. Nickel plated metal parts. Packed one dozen to box, 6 boxes in carton. Weight $3\frac{1}{2}$ lbs. per gross. Price **\$16.00** per gross.

2—"Rightype" General-purpose commercial pencil. Hexagon shaped barrel, finished in Black, Red, Blue, Green, Yellow, and Purple durable lacquers. Black Bakelite Cone. Equipped with magazine for extra leads. Large replaceable Eraser. Packed one dozen to box, 6 boxes in carton. Weight 4 lbs. per gross. Price **\$16.00** per gross.
